

About Voyageur Aviation's PATHWAY BURSARY Program

The Pathway Bursary Program was created by Voyageur Aviation and is designed to award select students enrolled in a qualifying program with Canadore College's Aviation Campus in North Bay, ON. Candidates must have graduated from a Nipissing/Parry Sound District secondary school. The Pathway Bursary Program maintains continuous enrollment of six (6) awarded students, with preference given to Indigenous applicants.

Voyageur's Pathway Bursary Program offers:

- Full tuition scholarship,
- Summer employment for those in a two-year program, and
- Guaranteed offer of full-time employment upon completion of their program.

Contact Us

Whether your goal is a career in flight, aircraft maintenance, aerospace engineering, airline operations, safety management or quality assurance, you can learn the skills to become a highly regarded professional in the aviation industry. Voyageur Aviation offers co-op placement and summer employment opportunities to secondary and post-secondary students.
